

We are looking for a **Junior Digital Finance Lawyer**

Simont Braun's Digital Finance Team is growing (again) and we are on the lookout for our new colleague! Freshly graduated in Belgian law with a particular interest in the digital transformation of our economy and curious about payments, e-money and financial services, willing for a challenging legal career and eager to join a highly recognised team, apply now!

We will definitely like you if:

- You are passionate about tech and the digital transformation of the financial sector.
- You recently graduated in Belgian law with honours and are fluent in English.
- You are a team player (a real one - we mean it).
- You are a quick thinker, creative and keen to work on innovative projects.
- You are not afraid to mingle with the FinTech & digital community (yes, the start-ups, the engineers, the geeks...).
- You are ready to take an active role in the growth of our team.

What are you jumping into?

- One of Brussels' leading independent business law firms with a well-recognised digital finance practice and high-profile international clients.
- A young team of lawyers who believe that their work is not the end, but the beginning of something.
- A bunch of people excited about the digital transformation of the financial world and the opportunities that it creates.
- A team that makes sure to understand its clients' sector, challenges and strategy.
- Hard-working lawyers who are also academically involved, travellers, artists, mountain-climbers, sailors, parents...
