FANNY LAUNE

Fanny Laune enjoys broad experience in commercial litigation (including **insolvency proceedings**), in addition to in-depth expertise in **corporate/M&A**.

Fanny assists Belgian and international clients before the Belgian courts for all their commercial and **corporate issues** (notably **shareholders' disputes**, commercial lease agreements, bankruptcy, judicial reorganisation proceedings, liquidation, etc.) and provides advice on these matters.

She was a teaching assistant in civil procedure at **ULB** for more than 10 years and she is currently still a scientific collaborator at the civil procedural Law Unit of ULB. She therefore has particularly in-depth knowledge and experience of the field, which is highly valued by our clients.

Fanny Laune is a registered mediator in civil and commercial matters at the "**Commission Fédérale de Médiation**".

She is ranked by **The Legal 500** as a **Rising Star in Dispute Resolution** and recommended as a **Key Lawyer in Corporate M&A**.

Fanny has authored several publications in civil procedural law and related issues. Recently, she co-authored the three volumes of a compendium on general civil procedural law (X., Droit du procès civil. Volume 1, 2 et 3 – sous la direction scientifique de Jacques Englebert et Xavier Taton, Limal, Anthémis, 2018-2019-2022).

Fanny Laune is a recipient of the Paul Foiriers Prize (ULB – 2004) and the René Marcq Prize (ULB – 2008). She also completed an LL.M. at UC Berkeley School of Law in 2011-2012, under a Fulbright scholarship.
